

# 1 My Dental Xray

## Small Intra-oral Xray

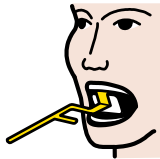

Page 1 of 2

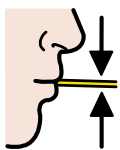

I will sit in the dental chair.

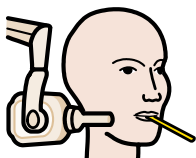

I will open my mouth.

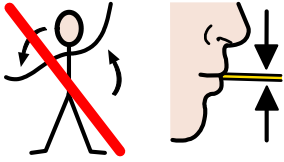

The dentist will put a small plastic card behind my teeth.

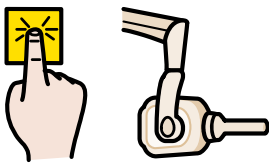

I will close my teeth together when the dentist tells me.

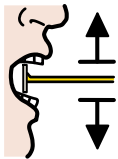

The dentist will point the Xray camera towards my teeth.

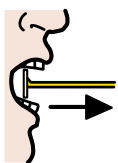

I will sit still and keep my teeth together.

The dentist will take the picture.

I will open my mouth when the dentist tells me.

The dentist will take the plastic card out of my mouth.

I will wait in the waiting room.
